We have just been informed by the applicant that in the above international application one of the inventors was erroneously nominated.

The inventor indicated by error is:

· Kottmann, Uwe Chrüzmatte 20 CH-6247 Schötz

and should be deleted from the above application. The second inventor - Mr. Roger Braun remains as published. Thus, he will be sole inventor with regard to the present application. Since the national stages have already been entered, we herewith kindly ask you to register this amendment as soon as possible. Your confirmation by return telefax message would be much appreciated.
